

MOBILE MOC

3 month Report

Period : April-June 2025 (Launched April 2025)

Through partnership with the Southeast Tennessee Area Agency on Aging and Disability, MobileMOC provides critical health care access and resources for senior center and community members in 10 rural counties. While older adults (62+) and caregivers are the target population, all adults are served regardless of insurance status or ability to pay.

Patient totals 1st Quarter
